

2010 Spring Trends

Vintage shapes and two-tone frames are this season's hottest trend as seen on Johnny Depp [picture left] Optimate, Inc.'s A906 in Brown [picture bottom left] is the perfect frame to get this look.

A906-53BRN

Thick rimmed glasses are coming back as seen here on Alyssa Milano. It provides a subtle yet chic look to any attire whether it is casual or formal. The BZ52 [pictured right] is just the thing to add that finishing touch to your outfit.

HS0214-63GRY

With Spring already here, summer is just around the corner, which means sunglasses season. The square aviator style sunglasses, as seen on Enrique Iglesias is the style that will be seen everywhere on the beaches. The HS0214 in Gunmetal [pictured above] will be the accessory to keep you cool this summer.

High fashion brands such as Prada are using the hottest accessory for Spring on their runway

A917-52CRYSTAL/GN

shows, which is clear colored frames. Get the style for less the price with the A917 [Pictured above].
